June 24-26, 2014 Ulaanbaatar, Mongolia

Dear Colleagues,

On behalf of Eurasian Silk Road Universities Consortium (ESRUC), it is my honor and privilege to welcome all ESRUC members and guests participating in this year's Annual Convention. Ulaanbaatar, Mongolia will be hosting this event.

Ulaanbaatar (literally "Red Hero") is the capital and the largest city of Mongolia, located in north central Mongolia that lies at an elevation of about 1,310 metres (4,300 ft) in a valley on the Tuul River. Ulaanbaatar, over one million population, is the cultural, industrial, and financial heart of the country.

The theme of the 2014 Annual Convention—"Global & Regional Changes in the Countries along the Silk Road" is divided into 6 different sub-themes.

Therefore, we look forward to have the opportunity to exchange knowledge, meet each other and search for possible collaborations among the institutions as well as hope that inter-institutions' relations will be developed and strengthened in the near future under the patronage of ESRUC Consortium. With this, it is also my prayer to gather enough strength to steer the ESRUC Consortium to greater heights. I remain,

Yours faithfully,  
Professor Dr. Hikmet KOÇAK  
President
